**1. BACKGROUND**

**2. VISON AND MISSION**

**3. VALUES**

**4. PROJECT EXPERIENCE**

## 1. BACKGROUND

Sikhokele Business Consulting(SBC) is a Management and Development Consulting company with expertise in Rural & Urban Development Planning, Research and Programmes evaluation, Development Facilitation, Institutional Design, Training and Project Management. SBC has worked extensively with various Government Departments, Local and District municipalities and Private Companies to implement community based development projects aimed at empowering project beneficiaries towards sustainable economic development. Our goal is to exceed the expectations of every client by offering outstanding customer service, increased flexibility, and greater value, thus optimizing system functionality and improving operation efficiency.

## 2. VISION AND MISSION

Our vision is to earn our client's enthusiasm and trust through continuous improvement driven by teamwork and innovation. SBC undertakes to conduct its business with the highest integrity and transparency for the satisfaction of the client and project beneficiaries.

Our mission is to ensure that we make a meaningful contribution to each project/programme we are involved in order for the advancement and welfare of project beneficiaries

## 3. VALUES

**SBC espouses to uphold the following values in conducting its business:**

- Good Corporate Governance
- Excellent service and high ethical standards
- Value adding to our customer
- Commitment to entrepreneurship and community empowerment
